YUANHAO SU

13306900585 ⋄ 832303114@fzu.edu.cn

EDUCATION

Fuzhou University - Maynooth International Engineering College (211) Sep. 2023 - Jul. 2027
Bachelor of Computer Science and Software Engineering
GPA: 3.80/4.00

ACHIEVEMENTS

1. BYD Scholarship (RMB 10,000), Fuzhou University, 2026
2. Second-Class University Scholarship, Fuzhou University, 2026
3. First Prize (Fujian Division), National Mathematical Contest in Modeling, 2025
4. Second Prize (East China Region), National College Student Mobile Application Innovation Contest, 2024
5. Second Prize, China Collegiate Computer Design Competition, 2025
6. Software Copyright: YiBan APP 1.0, Registration No. 2025SR0689058, 2025

RESEARCH EXPERIENCES

Fuzhou University Sep. 2024 – Jun. 2025
Fuzhou, China • Developed FAME, a remote sensing image-text retrieval framework combining progressive masking, multi-view feature fusion, and fine-grained alignment to improve local-global correspondence.

University of Science and Technology of China Aug. 2025 – May 2026
Hefei, China • Developed PointAlign, a feature-level alignment method using a projection module and cosine similarity loss to preserve geometric information in intermediate LLM representations for 3D vision-language models.

Hong Kong University of Science and Technology Mar. 2026 – Present
Hong Kong, China • Developed a 3D point refinement network that corrects noisy VGGT depth estimates for improved scene reconstruction.

INTERNSHIP EXPERIENCE

Java Backend Development Intern Quanzhou, China
Linewell Software Co., Ltd. *Jul 2024 - Aug 2024*

· Developed and maintained data reporting interfaces for the "Smart Jiangle" project (parking availability, entry/exit records); ensured API stability for real-time urban management system.

SKILLS

Programming	Python, Java, SQL
Tools	Linux, Git, Shell, LaTeX, PyTorch, Adobe Illustrator
Languages	Mandarin(Native), English(IELTS 6.5)
